

DOWNLOADING FREE 3D MODELS
FOR EON XR

FREE 3D MODELS ONLINE

3D Models can enhance the your immersive learning experience within EON XR.

Users can find many excellent and free 3D models and repositories online that you can download and bring into EON XR through the drag-and-drop cloud convertor.

In this document you will find some online resources to get you kickstarted in finding free 3D models for your amazing immersive learning experiences.

JUST SOME POINTS TO NOTE

Here are some tips when downloading free 3D models to be used in EON XR:

- Download .obj or .fbx formats
- If given the option, select low-poly models
- Use models that have great textures or materials (basically not bland models)
- Ensure that it is free-to-use or copyright free
- Look for new models every week
- Give credit when you can to the artist
- Make sure it is free or price is \$0
